

DEAR FRIEND,

Welcome to the 2007 Just In Time Young Women's Leadership Conference Web site.

The Conference Committee is putting together a great program. You will find many opportunities for your professional development.

I look forward to greeting each of you at the **University of the Virgin Islands, St. Thomas campus, November 3, 2007**. We are going to have a great time!

Look for general sessions with wonderful speakers that will motivate us, lift our spirits, and provide us with up-to-date information.

I look forward to seeing you in St. Thomas.
